RE: "Title Only" Resolution

Dear Mr. Zielinski:

This is to provide you with background information on the resolution that the Health Department would like to be introduced. The City of Milwaukee Health Department is entering into an intergovernmental cooperation agreement between the City of Milwaukee and the Board of Regents of the University of Wisconsin System for the State Laboratory of Hygiene. With this agreement the State Laboratory of Hygiene agrees to provide billing and collection services for fee-for-service laboratory testing provided by the Health Department.

The resolution is being drafted by the Legislative Reference Bureau and the file will be filled as soon as possible. As always, thank you for your consideration of this "title only" resolution.

Sincerely,

Janet Nell  
Administrative Specialist-Sr.
